THE BELSTEADS SCHOOL

NEWS OF THE WEEK

Some of our Year 9 and 10 students visited a careers fair this week. They found it really interesting and it was a useful way to discover a range of different opportunities available when they leave school or college. Our Sports Day couldn't go ahead because the ground was too slippery from all the recent rain but we are all ready now for Tuesday 16th and we will look forward to seeing lots of our parents and carers to share the day with us.

We are really proud of Laila and Lyla, who are taking part in the Race for Life in Basildon, this weekend. They have raised around £400 so far, for Cancer Research. James did some excellent baking and he has been very helpful, keeping the library spick and span! It's so nice to see our young people helping others and giving up their time.

Today's celebration assembly was lovely. There was an extra certificate for Sasha in Year 10, who has been doing some design work at her college placement and she has been recognised for doing extremely well!

Photos this week, include:

Mostly the careers fair and a lovely photo of James and his cakes too.

Don't worry about the one showing Felix in the ambulance; he was acting!

: -)

Diary dates:

Prehistoric Experiences will be camping on site from the 29th June until 3rd July.

We hope to have a feast on the 3rd July and to invite parents and carers along too.

This week my awards go to:

**Laila, Lyla and Danni!
The girls have been problem-solving, using their 'Girls on Board' knowledge, which has been so impressive.**

Also, a bit of a shout-out to Laila and Lyla for their fundraising efforts too. I am so proud of you all, girls!

: -)
