# THE BELSTEADS SCHOOL

## NEWS OF THE WEEK

Our annual residential trip took place this week, for our Year 9, 10 and 11 students. It was so lovely to see the excitement as they boarded the mini buses and set off for an adventure.

They seemed to have a brilliant time and they certainly returned to school today, totally exhausted!

A huge thank you must go to our staff team, who gave up their time to make sure our students had a great time and were safe during the day and through the night too. They were exhausted but delighted that everyone had a good time.

Lots of students really stepped out of their comfort zones and were so brave.

Back at school, we mixed the remaining classes and that made things interesting on site too. Students did some great artwork and baked delicious goodies too.

Next week, classes all return to normal and it's back to hard work and lots of learning again!

Claire led our assembly on Monday, which was about feeling safe in school, belonging and inclusion. Students took part and offered their thoughts and ideas.

**Arts and Crafts this week produced some really lovely nameplates for class desks and offices!**
