THE BELSTEADS SCHOOL

NEWS OF THE WEEK

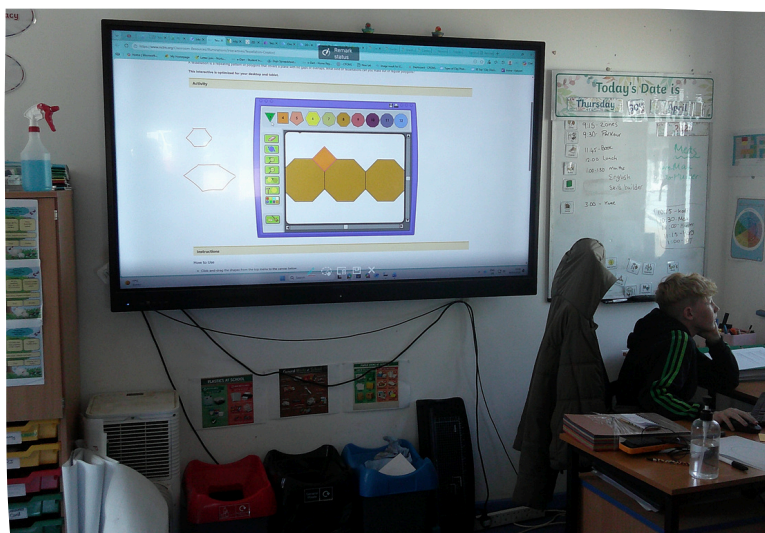

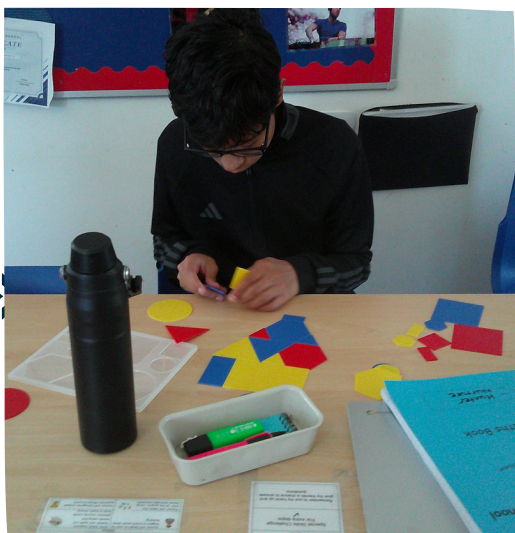

Endeavour and Thrive Classes, headed off to Cudmore Grove near Maldon, on Monday. This was part of their work around our topic of 'The Blue Planet'.

Our new ducklings (hatched at another school), have joined us and they seem to have settled in really well and taken over the whole duck run! I have watched Sonny investigating how many microplastics are found on a beach and I was impressed by his knowledge.

In Nurture, class, students have been studying tessellation and I've added photos of Hunter and Harry, hard at work.

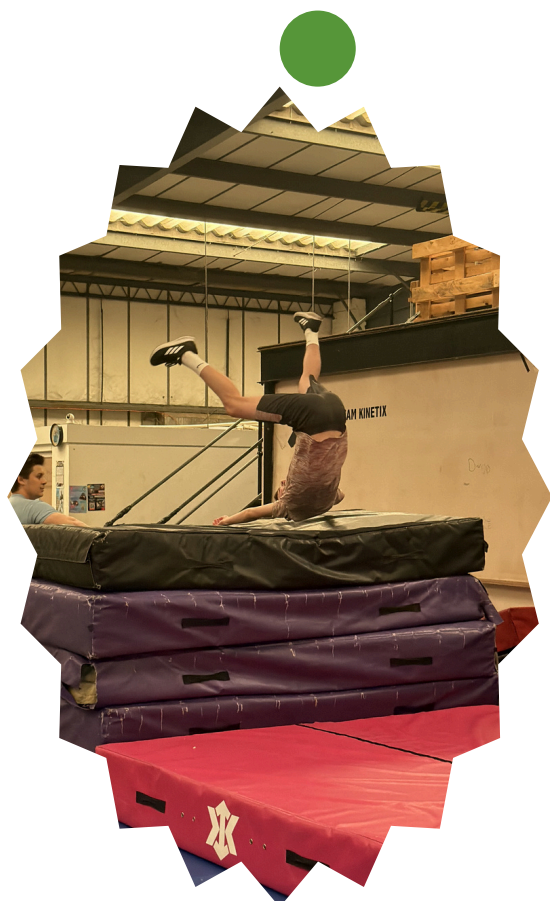

I'm also proud of Lyla and Laila this week because they are going to take part in the Race for Life, in Gloucester Park, to raise money for Cancer Research. The school and many staff will be sponsoring them too!

We have had another couple of students who have joined us this week and they are settling in really well too.

THIS WEEK'S ASSEMBLY

Steph's assembly was about our school values. We all received a lovely, personal comment and that even included the school dogs!
