THE BELSTEADS SCHOOL

NEWS OF THE WEEK

We have ended this half term with the most spectacular Construction Fair. Students used all eight skills developed using the Skills Builder programme. Photos show some of the outcomes. All students contributed to the work and the exhibition was a great end to the half term.

We have also had a music therapist with us and she worked with individual pupils to create music lyrics. This has been really well received by our students, who thoroughly enjoyed the experience.

Today has been 'Dress Down Friday'.

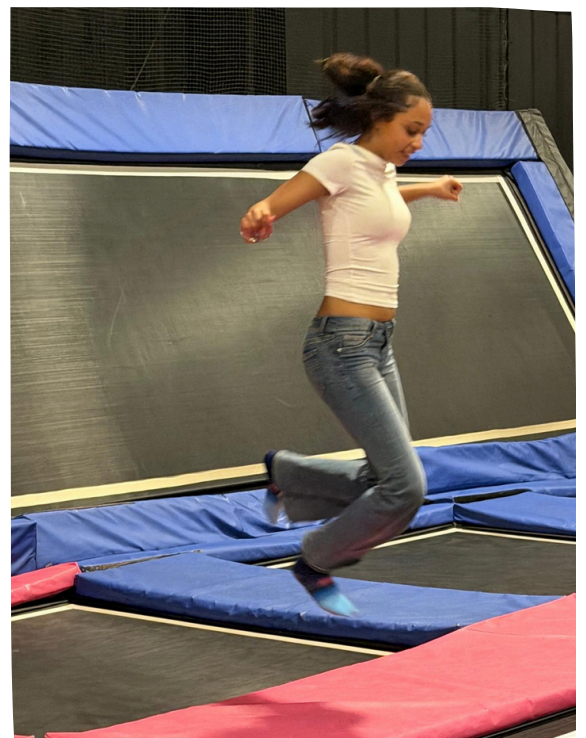

Students have been asking for ages, to dress up or down and we thought today might be a great day to do it. We also turned on the hose and the sprinkler to have some fun!

Happy Half Term everyone!

Breda's assembly was about World Bee Day. She taught us about the importance of bees and the impact they have on our eco system and our environment.

**Photos this week, include:
Music therapy, our
Construction Fair, some 'dress
down' outfits and fun in the
sun too!
There was also a reward trip
to Air Soft for a group of
students who wanted to spend
their Dojo points. They had a
great time!**

**Diary dates:
Coming up - Save the date -
Sports Day 12th June
all day. Bring a picnic.**

**Prehistoric Experiences are on site
all week...
29th June**

**This week my award goes
to:**

**Skyla, who has had a
really positive week.
Skyla has also supported
another student, with
great care and empathy.
I am very proud of you,
Skyla!
:-)**
