THE BELSTEADS SCHOOL

NEWS OF THE WEEK

This week, as we move towards the end of the year, our regular visitors, Prehistoric Experiences, have been on site for all five days.

Students have, as always, had opportunities to flint knap, take part in spear throwing, make jewellery and prepare animals for our Friday feast.

Today, students have prepared the huge fire pit so that two deer could be put into the heat then roasted, along with fish and game birds, for us all to taste afterwards.

Tyler took a lead role in skinning the deer and lots of students helped to gut and prepare the fish for the feast too.

This is always one of our favourite weeks of the year and the chilled atmosphere at the end of the afternoon, on a Friday, is just the perfect end.

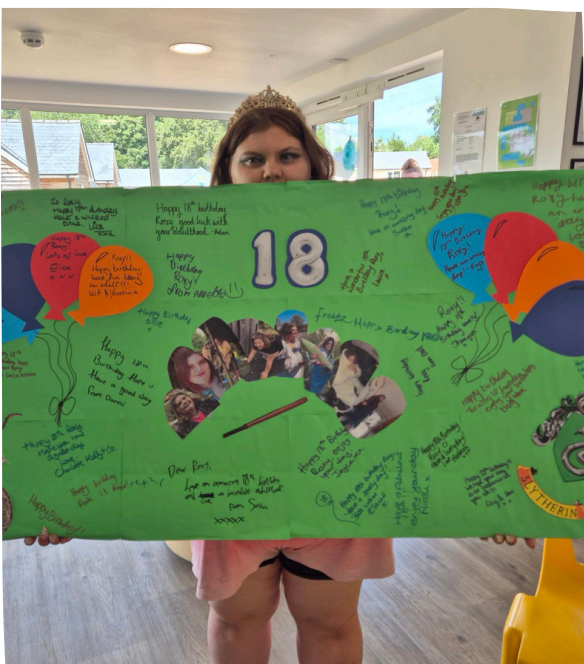

Erica's assembly this week was about the celebration of Roxy's 18th birthday. She was one of our ex students and was coming in to be with us for the day.

Also, expectations for engaging with our cave visitors!

Ad

**Prehistoric Experiences
photos this week, plus
Sonny with his writing and
Roxy's 18th birthday too.**

**Diary dates:
10th July is our planned Prom and
Giant Inflatables Day.
You are welcome to join us from
10.30am until 2.30pm.
Bring a picnic and share the
excitement of the end of term with
us!**

**This week my award goes to:
Sonny!
I have been absolutely thrilled
to read Sonny's amazing
writing and to see how
resilient and diligent he has
been.**
