THE BELSTEADS SCHOOL

NEWS OF THE WEEK

We've had a very busy first week back at school.

Some Year 10 and Year 11 students have been out on two different work experiences this week. They are now attending Lathcoats Farm and All Things Alpaca, which they are really enjoying. Their Morrisons weekly visits are also continuing and going really well.

Our new topic for this half term is 'House and Home' and we have lots planned for the weeks ahead.

We have held a Sports Day practice today. Students beat the staff at the tug of war and I imagine there will be huge competition at the real Sports Day next week!

If the weather is looking poor, we may postpone but we will keep you informed as soon as we make a final decision.

This week, we didn't hold our Monday assembly but we had our usual celebration assembly, which was a lovely way, as always, to end our week.

ZAVETTI
CANADA

Photos this week, include: Angus, who has just celebrated his 16th birthday, some photos from the farm work experience and a few from today's Sports Day practice morning. Also, our dining room has been decorated for Pride Month too! :-)

Diary dates:
Coming up - Save the date - Sports Day 12th June all day. Bring a picnic. If the weather looks wet, we may postpone to the following week but we will let you know, of course!

This week my award goes to:
Danni, who has been working extremely hard in class and who has been really settled and focused. Danni is also a good friend to others and I am proud of her!
