THE BELSTEADS SCHOOL

NEWS OF THE WEEK

Several of our students now spend half a day each week with Kit, who runs our outdoor alternative provision. They are working on all kinds of different projects including making raised flower beds, window boxes and they look after the ducks and chickens too.

The Year 11 students have continued their work experience at Morrisons. This week, they were working on the tills, which they really enjoyed.

In science, Nurture Class studied the consequences of the oceans becoming more acidic due to more CO₂ absorption in the air. In parkour, it became even more exciting as you will see from the pictures!

Today's assembly was our usual celebration of good work, positive behaviour choices and a chance to appreciate one another. It's always a feelgood end to our week at school.

**Photos this week, include:
