THE BELSTEADS SCHOOL

NEWS OF THE WEEK

Some classes went off to Channels golf centre this week for their PE lesson and they loved it! They used the driving range to work on their skills and they challenged one another to improve. They have requested a return visit next week!

Other PE lessons off site, included badminton and table tennis.

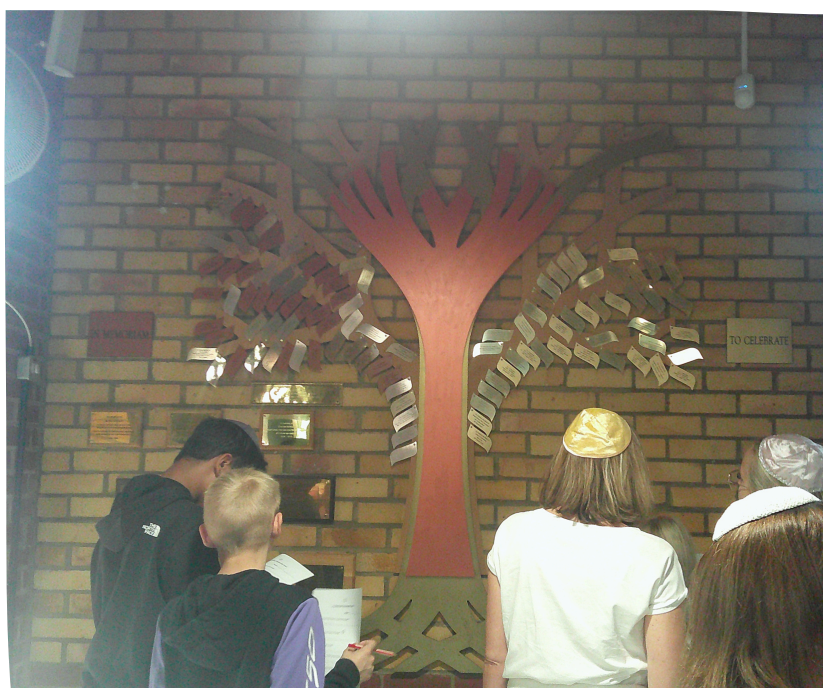

We had fabulous help this week outdoors, when Carson, DJ, Hunter, Freddy and Dennis, filled many, many barrows with topsoil and then stones, to help staff to prepare our polytunnel and raised beds for planting. Dennis also finished some work around the duck run too. Great work!

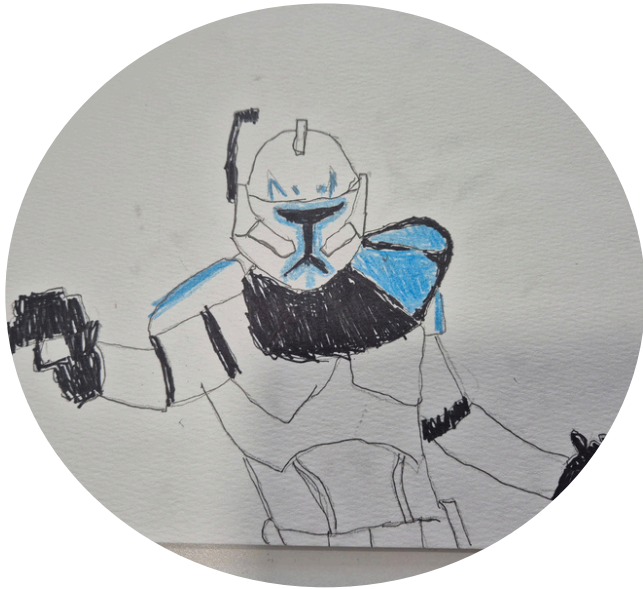

Our new school website went live this week:

Have a look at some of the great things we are doing!

After half term, our DJ Jerome, will be back on site! Students can achieve from a Level 1 to a Level 5 in DJing skills!

We held a second MacMillan bake sale and the final amount raised, will be shared in assembly on Monday!

There was also a second Synagogue visit, which was really informative too.

Diary dates:

Holiday Club Days

Thursday 29th October (Halloween Day)

Friday 30th October - Bonfire Day Events

Letters have been sent home!

We often have volunteer helpers and students who do jobs every week. Yesterday, there was some very heavy and strenuous work and a group of students threw themselves into it.

DJ, Dennis, Carson, Hunter and Freddy, thank you all for your efforts. You made a real difference this week!

: -)
