THE BELSTEADS SCHOOL

NEWS OF THE WEEK

Our MacMillan Coffee event was our best yet! A huge thank you to our staff and our families, who baked so many delicious goodies for us to sell on the day. Thank you for your donations too. A group of students helped to serve everything and to clear away the madness afterwards too. :-)

Monday, we have so much left that we will be selling bakes again and hopefully raising even more funds for a very good cause.

We have had help with looking after the ducks and the chickens and our student helpers are really good and so caring with them all. We are hoping to extend the chicken run over the coming weeks and students will definitely be involved with that too. Four classes went to visit a synagogue in Harlow on Tuesday and they represented our school so well. They asked really thoughtful questions throughout the visit and returned to school to share the information as well.

We are beginning to plan our Halloween and Bonfire holiday club events so look out for more information in the coming days.

Emma's assembly was about Sports Heritage.

Sylvi created this fabulous poster below, which is now displayed in our main building. :-)

Diary dates:

Holiday Club Days

Thursday 29th October (Halloween Day)

Friday 30th October - Bonfire Day Events

I have never given seven awards in one week before but these young people got really involved with our MacMillan Coffee Morning and they served the cakes and treats and the different drinks too.

Great work everyone and thank you for helping!

Frankie, Hunter, DJ, Kodi, James, Lyla and Sylvi

Erica :-)

See the poster below for information about Dyslexia Awareness Week

NeuroEmpower

Dyslexia Awareness Week

FREE LIVE WEBINAR

Supporting your dyslexic child at home

Practical ideas for parents and carers

Thursday 8 October 2026

6 pm (UK time) • Online • Free to attend

Together, we'll explore:

- Understanding dyslexia
- Practical strategies for learning at home
- Building confidence and emotional wellbeing

Presented by Toni Horn

Neurodiversity consultant and founder of NeuroEmpower CIC

Based on our CPD-certified parent training
