THE BELSTEADS SCHOOL

NEWS OF THE WEEK

Our visiting author and poet, Zohab Zee Khan, was simply fabulous. Our students were completely enthralled by his performance poetry and even more captivated because he could play the didgeridoo!

Our upper school visited The Hive, in Epping Forest, on Thursday. The trip went really well. Students were even able to walk in the stream and one or two went slightly deeper!

There's a college visit planned next week, for our Year 11 students. It's that time of year when they begin to apply for places for next September. We couldn't be more proud of our students as they prepare for their next steps in life.

Joulene's assembly was about bullying and the impact it can have. Students contributed very thoughtfully and with empathy.

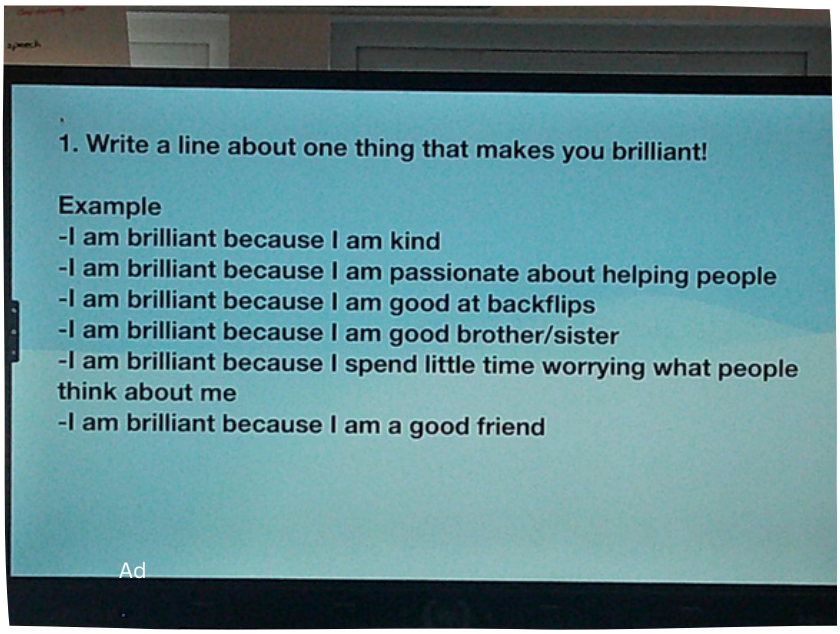

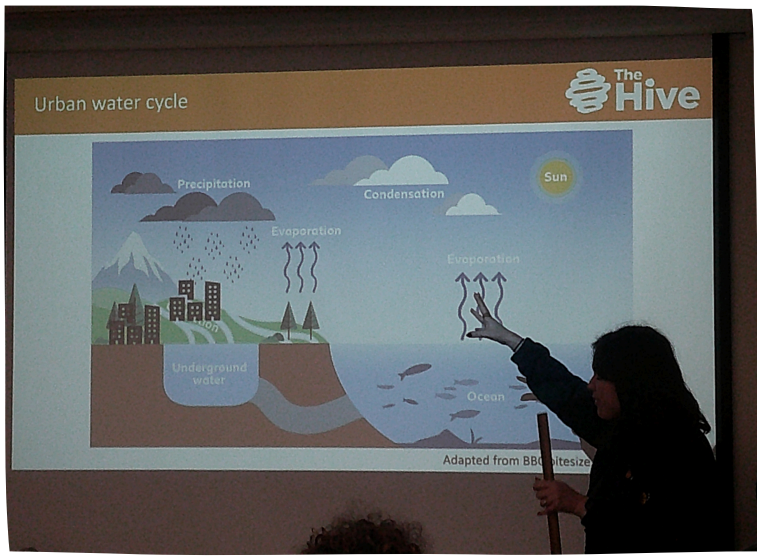

Peter, in Year 8, spent time with Aimee our alternative provision lead, today and he created handmade soap from smashing conkers and mixing them with water. Apparently, we can even wash our clothes with the soap too! (See photos above)

This week, my headteacher's award goes to Kiyan because he made a very mature choice and helped to keep others safe. I am very proud of Kiyan!

There will be more photos from the Hive trips added to the website during the next week.
