THE BELSTEADS SCHOOL

NEWS OF THE WEEK

We're back after our half term break!
This week, our DJ, Jerome, has been back on site and students have all had their slots, mixing favourite music and making the school feel very tuneful!
Our PE was outside on Thursday and it was all about fitness and completing circuits. It was fabulous to see so many students and staff members, completing the challenges set by Brad and Sophie.
Yesterday on site, we had 'Big Love' a local charity we often work with. They spent the day with two classes, Inspire and Thrive, who were learning more about becoming resilient, developing confidence and improving self-esteem.
Our site team have emptied the duck pond and will fit a new liner today, with the help of some students. It is really lovely to see students volunteering around the school.

Jackie's assembly was about kindness and thinking about others both around the school and beyond.

Pioneer

Diary dates:

Friday 13th November - Murder Workshop. Detectives and legal professionals run unique and inspirational workshops for students.

Monday 16th November

An author visiting all day

This week, my headteacher's award goes to Ruraidh, who has worked extremely hard in every lesson this week and he has demonstrated a lot of resilience too!

A big thank you to everyone who came along to our Bonfire and Firework event last week. It was lovely to see so many of you and we thought it was a great display. Video footage taken by the drone, will go onto the website soon!
